Dear Mr. Murray:

We are delighted to express to you our amazing experience with Phillip Ross III and Mark Banham in regards to finding our home.

They were insightful, prepared, honest, and diligent. The task of buying a house at times can be difficult and frustrating; however, this was not the case from the Banham Ross Team. Instead, it was an easy and effortless journey. We would recommend these lovely gentlemen to anyone who is thinking of buying a home.

Best!

Melinda C. Gonzales & Dr. Robin Wallace
